The New Farm Neighbourhood Centre, established in 1986, has been working with the community towards social justice, diversity and inclusion in Brisbane's inner city since the early 1980s.

Located in Brunswick St opposite beautiful New Farm Park we provide a place for people to meet, to join activities and to tap into local support services.

We offer free help with housing and legal issues and we provide a range of sporting and social activities in the area. We offer an open house with office facilities and we even have our own community garden.
