

About New Farm Neighbourhood Centre

The New Farm Neighbourhood Centre, established in 1986, has been working with the community towards social justice, diversity and inclusion in inner-city Brisbane since the early 1980s. Located in Brunswick St opposite beautiful New Farm Park, we provide a place for people to meet, join activities and tap into local support services.

We offer free help with housing and legal issues and provide a range of sporting and social activities in the area. We offer an open house with office facilities and we even have our own community garden.

We have moved to 860 Brunswick St!

While our main home at 967 Brunswick St is being renovated, the New Farm Neighbourhood Centre activities will continue at our new address.

Follow Community on Facebook or our website to find out updates and check where we are!
