'TIS THE SEASON TO BE JOLLY

But first, we'd like to acknowledge some very special people... our volunteers!

Community owes a lot to our amazing team of volunteers, who assist us in a wide variety of ways. Whether it's lending a hand to help cook a meal, transporting people around Brisbane in their cars, or even helping others learn a new language, we take our hat off to you. This Thursday the 5th of December is **International Volunteer Day**.

This year's IVD campaign theme is "Volunteer for an inclusive future".

Volunteering provides opportunities for people, particularly those often excluded, to concretely impact their own lives and play a constructive role in their communities by volunteering their time and skills. Through volunteerism, communities around the world often experience strengthened solidarity and inclusion.
