No Interest Loans available at Community. Please email nils@community.org.au for enquiries

The Bardon Neighbourhood Centre offers support for people living in North-West Brisbane who may be facing challenges or are needing social connection. We provide brief intervention and referral, emergency relief support, no interest loans and a number of community groups tailored for different interest areas. We can make appointments to support local community members with form filling and for information/referral support if required. We deliver a few larger events throughout the year, some of which allow people to access material goods that will support themselves and their family. We invite our community to join us – there's always something happening at our Neighbourhood Centre!
