# Communify Transport Fees

Currently we provide transport in the following formats:

- Group activities (Please note that transport is not provided for all groups)
- Individual transport provided by a Communify driver
- Individual transport assistance via subsidised taxi (Black and White Cabs)

### Client contribution for trips with a Communify driver

	Up to 8.9 km	Between 9 – 12.9 km	Over 13km
<b>Group activities</b>	\$5 (return)	N/A	N/A
<b>Communify driver</b>	\$5 (each way)	\$10 (each way)	\$15 (each way)

### Communify contribution for trips with a subsidised taxi

	Up to 2.5km	Between 2.6 - 3.9 km	Between 4 - 7 km	Between 7.1 - 15.9 km	Over 16kms
<b>Communify Contribution to Taxi Fare *</b>	\$5	\$7.50	\$10	\$15	\$20

The Communify contribution is deducted from the total taxi fare at the end of the trip. The remaining balance of the fare is to be paid to the taxi driver. The contribution amount has been calculated to be approximately half of the fare, so the amount you would pay would be roughly the same as the contribution amount.

**Please note - Subsidised taxis cannot be provided in conjunction with government issued taxi subsidy cards.**
