Feeding Brisbane this Christmas

Our friends at Feed Appeal and Uber are helping us with food delivery and client transport during the festive season. Together we will deliver meals and food boxes to people in the community who need our help.

We have also joined forces with Nando's and SecondBite in a charity initiative, called NanDonation. NanDonation ensures food from Nando's, otherwise headed for landfill, is rescued while still fresh so charities across Australia can serve it to appreciative families. Communify collects a fortnightly donation of chicken from Nando's Buranda that will be made into delicious meals by Community Canteen volunteers.

Hands on Art School Holiday program

Our special school holiday program starts on 10th December! We're running a series of arty workshops in the run up to Christmas and then we're back again in January for more fun! Calendar and booking dates are available here:

<https://events.humanitix.com/kids-do-art-school-holidays>

Hands on Art classes for kids will stimulate creative play, teach new skills and best of all kids will have gorgeous things to take home and keep.
