**Our centre supports people living in Brisbane West and Inner City to
manage life challenges and find social connection. We provide brief
intervention and referral, emergency relief support, No Interest Loans and
various community groups and activities. We offer appointments to help
you with form filling, and to access information/referral support. We
deliver a few larger events throughout the year, some of which allow
people to access material goods that will support themselves
and their family. All are welcome to join us!**
